

FollowMyHealth™

PATIENT PORTAL

An online, innovative tool that provides anywhere, anytime access to your personal health records, and enables you to take a proactive role in managing your child's care.

Please fill out all information below to receive your email invitation to create a Patient Portal account. For all parents whose children are under the age of 18, please note that your invitation will state that it is a proxy invite as you will be proxy for your minor child(ren).

Please follow all instructions in the email you receive in order to create your account. If you have any questions, please call our office.
